

Conference on Priorities in Perinatal Care in Southern Africa

05 October 2020

NOTICE OF DATES FOR PRIORITIES CONFERENCE

Dear Priorities Member

Priorities was organised with success for the past 39 years with good presentations and attendance with a variety of public healthcare professionals. We want to thank every presenter, attendee and exhibitor for your loyal support.

With the uncertainty regarding the COVID-19 pandemic, the chair had to make the decision to postpone the conference until 15-18 March 2022.

So there will be no conference in March 2021.

A decision was made during the conference of 2020, that presenters will submit a 3 page article as the proceedings are of great value. May I herewith request that you please forward your 3 page article so that we can update the proceedings of 2020.

Stay safe.

Yours sincerely

Prof S Velaphi
Chairperson
Executive Committee Member

Mrs CM Bezuidenhout
Conference Organiser: Priorities 2020
Executive committee member
